Valentine's day is a famous holiday celebrated all around the world. We celebrate it on 14th February. It is a day when lovers confess their love to each other. They also send each other cards. They give their loved ones various presents like flowers, chocolate, teddy bears and many others. The typical Valentine's Day colour is red and that is also why the most important symbol of Valentine is a red rose.

THE CZECH POEM ABOUT LOVE!

Jedna, dvě láska jde. Tři, čtyři kam míří? Někdo
se raduje, že bude mít lásku. Jdu pro růže tiše.
Někdo jde. Je to ta nebo ne? Mé srdce jak buben
buší a země se točí jak moje oči. Někdo závidí a
někdo přeje. Mé tělo mně ruší, kroky mně mučí.
Nevím co říct. Už vím: "La vita e bela". Hodiny
tikají, myslím jen na ní. Láska mně mučí. Jsem
šťastný. Bůh mně stvořil a řekl: "Hej ty dole!" Žiji
jen jednou a pro život svůj jsem hoden. Šest let
už čekám na lásku svou. Něco mně táhne k ní.
Ruce mně bolí a hlava mi říká poslouvej srdce!

HOBBY

I thought about a new hobby
everyday.Cards? No! Basketball? No!
Handball? No!!!

After that one man said: "Hey, are you
searching for a hobby"? So...Show me
your legs. Hmmm...good.Show me your
arms. Fantastic!Oh, sorry! My name is
Kevin Hood and I am a plastic surgeon.

Come here please and take this bow. And
now you are shooting in the target. I
shoot and it was a show. After that I went
to the market.

On a market I saw a boy and it was my
friend Bobby.I said: "Hi Bobby"

So.....

I found my new hobby!

THE PARADISE

But the paradise was probably some
of the stars. Who can pinpoint
where the gardens of heaven are? If
it is here or not?

Even the sky is not that place.
People do not cry here and the tears
are even more than rubies in our
rivers.

When he came and when he started
to play. I only adjusted my ears.
Why did I lock the door? Why did I
let the horses go from their
carriage?

He left so soon from whence he
came. He only remained poor and
thin little something else that makes
life more beautiful than it was.

LET'S SMILE
WITH THE
SIMPSONS

Everything I know about the Simpsons is that it is a family that live in Springfield. Homer and Marge have got three children - Bart, Lisa and Maggie. Bart is a scamp whose best friend's name is Milhouse. Lisa is a nerd who is kind of a head of the family. Maggie is a baby. Marge is Homer's wife and her maiden name is Marge Bouviere. Homer works in a nuclear power plant. He spends most of his time in Moe's tavern because he likes to drink a beer. It was revealed in one episode that he met Marge when he was 10. I also like Homer's father Abraham. Everybody calls him Abe. Abe fought in World War II. During the war he got lost on a desert island with a millionaire Montgomery Burns. They met Santa Claus here and together they celebrated Christmas.

Nikolas Jeřábek, 4.A

THE BEST HOMER SIMPSON JOKES:

- 1) Operator! Give me the number for 911!
- 2) Bart, with \$10,000, we'd be millionaires! We could buy all kinds of useful things like...love!
- 3) Maybe, just once, someone will call me 'Sir' without adding, 'You're making a scene.'
- 4) [Meeting Aliens] Please don't eat me! I have a wife and kids. Eat them!
- 5) Homer no function beer well without.
- 6) 'To Start Press Any Key'. Where's the ANY key?
- 7) I'm never going to be disabled. I'm sick of being so healthy.
- 8) If something goes wrong at the plant, blame the guy who can't speak English.

OUR HOBBIES

My passion- TRAINS

Trains are my biggest passion. In this article I decided to write not only about trains but also about the train station in Frýdek - Místek. There are two platforms in Frýdek - Místek. The first one is easily accessible while you would need to take an elevator to get there. The station is not electrified. However the electrification of the track between Ostrava and Frýdlant nad Ostravicí is going to take place in 2015. In the past the station consisted of low - level platforms which were accessible directly through the track. This was very dangerous and that is why the station was reconstructed. The reconstruction took place in 2010 and it is safer and also much nicer than before. The station and its surroundings are very nice. There is also a bus stop near the station.

The fastest and best train in the Czech Republic is definitely Pendolino. Its maximum speed is 230 km per hour but Czech track are not in a good condition so it can achieve maximum of 160 km per hour. Pendolino is the fastest train in the central Europe.

TS AKTIV

My biggest hobby is dancing. I am a member of a great group TS Aktiv. We have a lot of fun there. There are hundreds of children of a different ages. TS Aktiv is supported by "Středisko volného času Klíč". We take part in lots of various competitions and we are always successful. Our dancing lessons are great I like them. I also like the beautiful green costumes we have. I can recommend TS Aktiv to all children who love dancing. It is simply great.

I love HORSES

My favourite animals are horses. I also like ponies. You can ride horses in Místek, Dobrá and Lískovec. Horses have various colours like black, white, grey, brown or mixed. Horses are very big mammals and they are very fast. That is also why horse races are organized all around the world. The biggest horses can have even more than 2 metres. Nowadays a lot of people ride a horse. To ride a horse you need: saddle, bridles and other stuff.

To those of you who like horses our editing team can recommend to read a book by Joanna Campbell:

"A Horse Called Wonder" ("Hříbě jménem Naděje"), which is a beautiful story about a girl and her love for horses.

Snowboarding the sport I love

Snowboarding is a very good sport. The best snowboarder is Ester Ledecká. Everything depends on the front foot in snowboarding. First, we learn to get up. Then we need to learn to brake (cleats), do the falling leaf and finally the arches. Since 1998 snowboarding have been one of the disciplines at Olympic games. The milestone year in the history of snowboarding is year 1965 when Sherman Poppen joined the two skis thus making a snowboard. At the top he mounted a string and created the first model snowboard, called "Snurfer". Inspired by Poppen's success Burton Carpenter began to produce his own snowboards. He changed snowboard with several tapes firmly holding the legs. In 1977 he founded the company in Vermont Burton. Freestyle snowboarding includes a wide range of disciplines.

Useful vocabulary:

Frontside edge- přední hrana prkna

Tail- patka prkna

Nose- špička prkna

Radius- poloměr kruhu, podle jehož části je vytvarovaná hrana

Backstance- posunutí vázání směrem dolů

St. Patrick's Day

We celebrate St. Patrick's Day on 17th March. Despite the fact that it is an Irish holiday it is celebrated worldwide. This day is celebrated to honour the death of Saint Patrick who lived in the 4th century and who was the first to bring the Christianity to Ireland. The most important symbols of this holiday are: Celtic cross, shamrock, harp, leprechaun and many others. But it is the symbol of a leprechaun which first comes to our minds when we hear about the St. Patrick's Day. You should know that St. Patrick and the leprechaun have nothing in common despite the fact that their typical colour is green. Saint Patrick was a real person who brought Christianity to Ireland while leprechaun is just a mythical creature.

However **6th grade pupils** disagree with that and they have several theories how Saint Patrick and the leprechaun could possibly meet.

"Leprechaun and St. Patrick"

Once upon a time in Ireland there was a man named Patrick. He was very poor and he wanted money. He was always sad and hungry because he had no money for food and clothes. He lived in a small cottage and he had only one pair of a wooden shoes and a few pieces of clothing. One day after lunch for which he had a slice of bread and a cup of water he went for a walk to forest. Suddenly he got lost. He walked and walked when suddenly he saw a pot of gold. Next to it there was a leprechaun who had green clothes, green hat and a pipe in his mouth. Leprechaun looked at Patrick and asked him: "Do you want this pot of gold?" "Yes, I do". Said Patrick. "But I want something in return". Said the leprechaun. "I'll give you this pot of gold but you have to sign this contract with your own blood". Patrick read the contract and said: "Ok, I see no problems". He signed the contract with his own blood and the leprechaun kept it. "Thank you", said Patrick. He took the pot of gold and he became very rich. He had so much money that he started to give it to poor people. That is why people elected him a king and he was declared Saint. However after a few years the leprechaun came with the contract and took St. Patrick to hell. Since that time nobody have ever seen him.

A Leprechaun is an Irish elf. He isn't very tall, but he has got magic powers. He lives in a forest and sleeps in a barrel. He speaks Gaelic and English. He takes form of an old man. He has got a green hat on his head. He plays the flute. He hides in the woods and he tries to play the Irish jig. He always drinks green beer on Saint Patrick's Day. He usually sells mushrooms and flowers. He doesn't like beef.

Leprechauns are extremely grumpy & they bring good luck or bad luck. They play tricks on humans. They are very clever. They like shamrocks. They try to find a four-leaf clover. They smoke the pipe and they make shoes. They don't make hats. They hide a pot of gold at the end of a rainbow. They like their treasure and they often count their gold coins.
